Missouri Right to Life Endorses John DeStefano

ST. JOSEPH, Mo. – Missouri Right to Life announced that it has endorsed John DeStefano in the race for the 34th district Senate seat. John is the only candidate in the race to receive the endorsement. Missouri Right to Life is Missouri's oldest and largest pro-life organization. Their vision is to "Transform society to respect and protect all innocent human life." Missouri Right to Life believes that John DeStefano will uphold and fight for those values.

"I am proud and honored to be the only candidate in this race to receive Missouri Right to Life's endorsement," said DeStefano. "I won't say I'm pro-life at home and then vote a different way in Jefferson City. I am the pro-life candidate who will vote to uphold our Missouri values and traditions."

John DeStefano is a Republican candidate for the 34th district Senate seat which comprises all of Buchanan and Platte County.
